NORTHERN CALIFORNIA, 2008.

"YOU THOUGHT THIS TIME
WOULD BE DIFFERENT.
YOU ALWAYS THINK THIS
TIME'LL BE DIFFERENT."

YOU ARE NOW ENTERING
Stanford University

"YOU KNOW WHAT I REMEMBER ABOUT
MARY WINCHESTER? NOTHING!"

"IT'S OVER."

"SAM!
WAIT!"

"SAM!"

"WE'RE FAMILY.
WE STICK TOGETHER,
NO MATTER WHAT."

NEW YORK, 2001.

Got the call day before last.
Guy I thought was dead--
guy I watched take two bullets
point blank in '93--ain't.

Don't know how he came
back, but I'm not surprised.
Guy's named John Dee, and
he's big time black magic.

Dee's on a first name basis
with all the major players,
upstairs and down. Which means
he might know what killed Mary.

If Dee was anywhere else,
I woulda found him sooner.
I've met enough people and
done enough favors that I
got eyes and ears all
over the country.

But the city...

...the city's
different.
